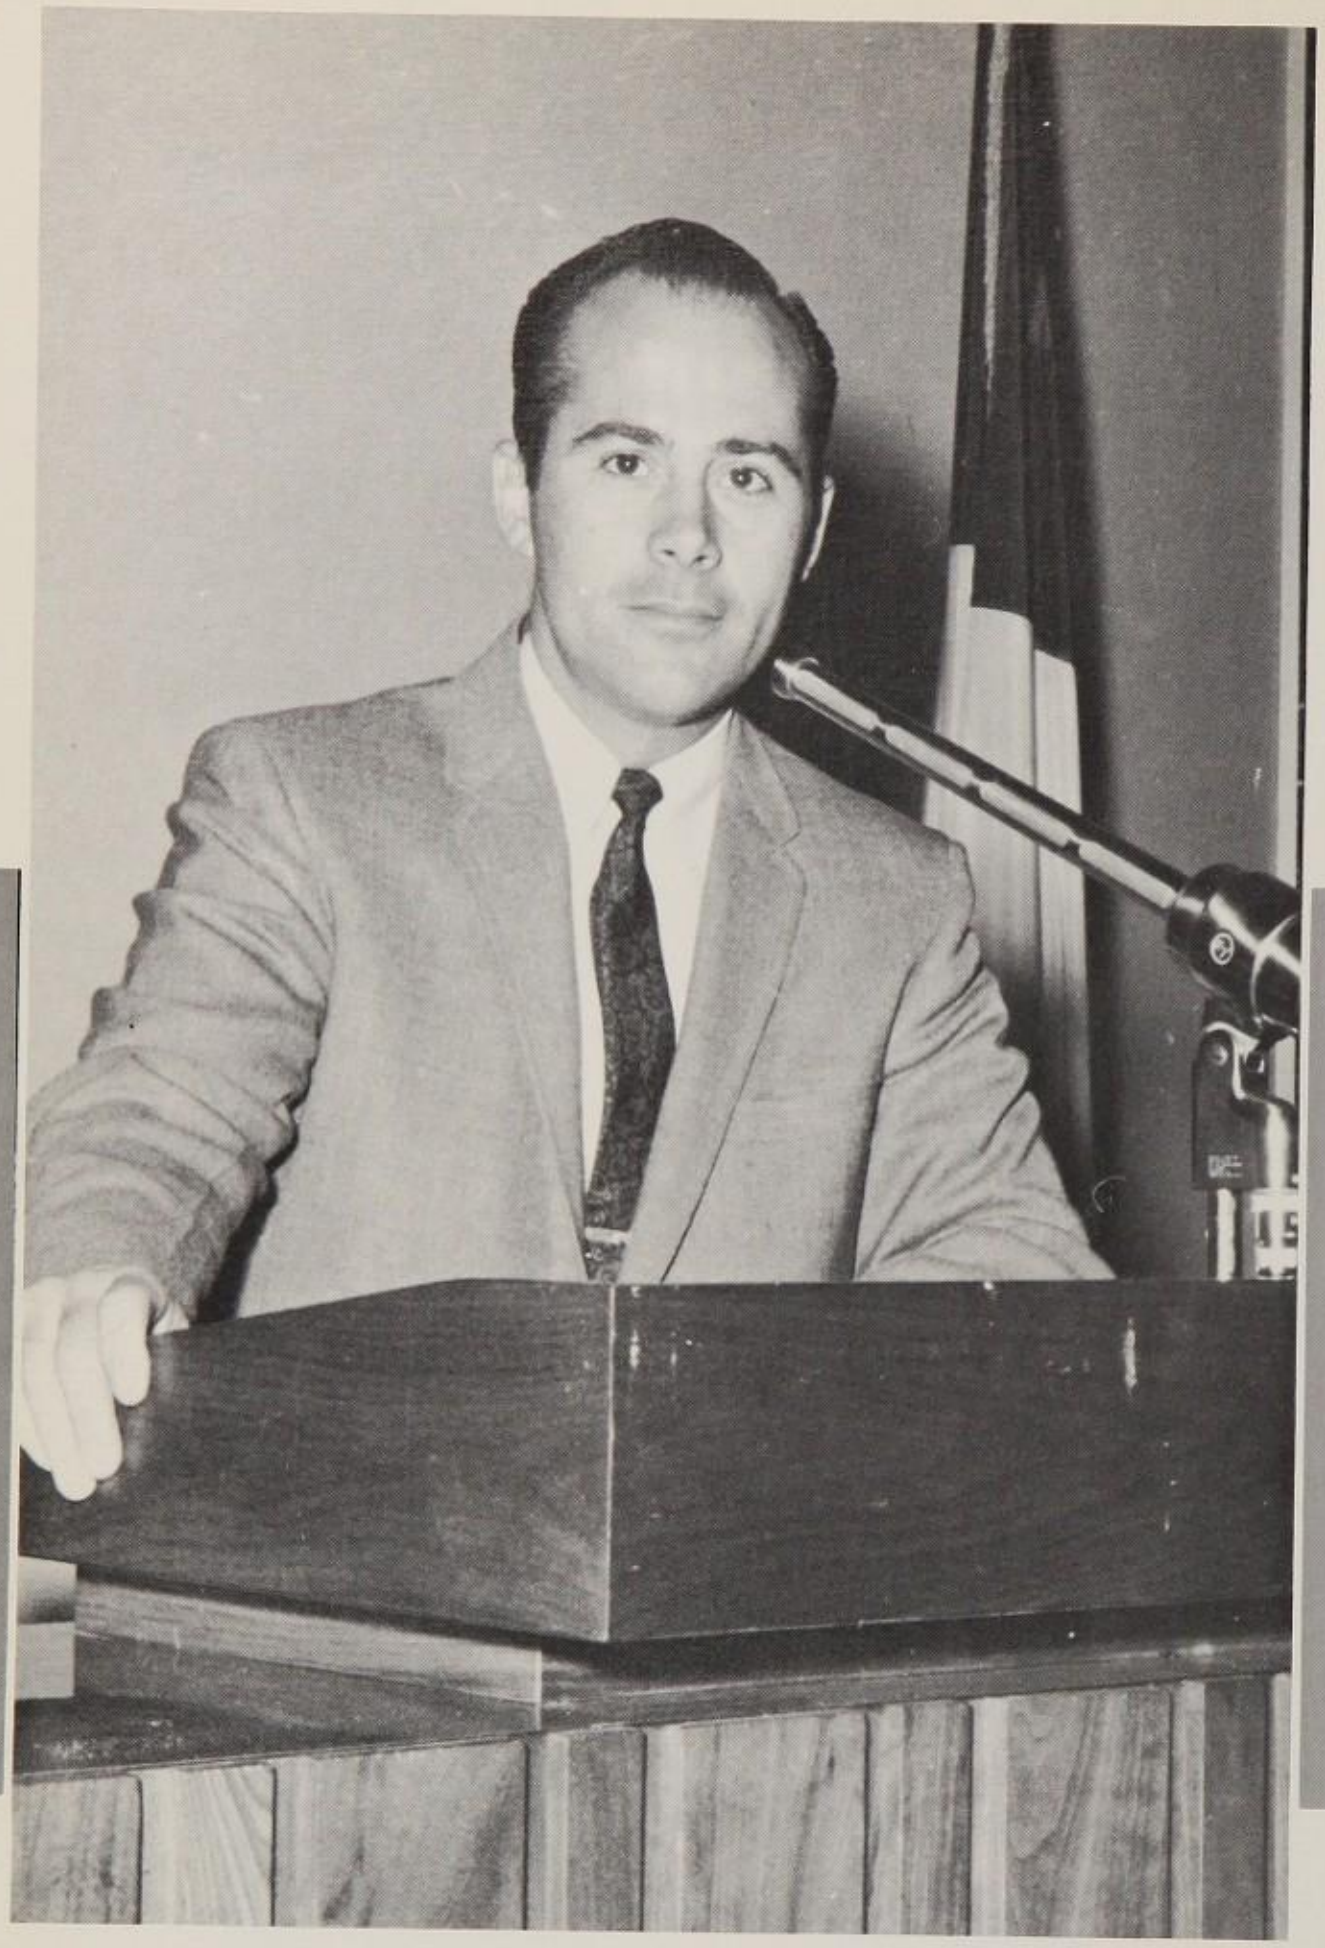
Dedication

For the past nine years you have been the school nurse, cafeteria hostess, and assistant physical education instructor here at Lynwood. During this time you have dedicated many unselfish hours to us. Not only have you helped us when we were sick, but you have also encouraged many students by your cheerful and Christian example.

To show in a small way our appreciation for your devoted service, we would like to dedicate the 1967 SHIPMATE to our nurse, instructor, and friend...

Mrs. Irene Miller

Principal's Message



W. D. Minder, Principal

A school annual takes on three dimensions in relation to time: the present, the past, and the future. We enjoy our year again as we look at this annual. As time goes on, we will treasure it because it captures and immortalizes a portion of our lives. Those who come back to Lynwood Academy to finish one, two, three, or four years of education, can look to better times using this year's experience on which to build.

For each individual, time is a gift from God. How do we use it? We know that there is a "time for everything" (Eccl. 3:1-9). Christian Education emphasizes and structures the individual judgment to determine how to use time. We use it again, in three dimensions: in relation to God, in relation to our fellow man, and in relation to ourselves. This is giving God's word, serving our fellow man, and studying the Holy Writ. A happy life is a balanced life. Christian Education teaches this. Lynwood Academy is dedicated to this objective. Let us each one apply what we have learned this year.

TIME TO ENROLL

"It is the work of the youth to make advancement day by day. Peter says, 'Add to your faith virtue; and to virtue knowledge; and to knowledge temperance; and to temperance patience; and to patience godliness; and to godliness brotherly kindness; and to brotherly kindness charity. For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ." (2 Peter 1:5-7).

TIME TO WORSHIP

"We may commune with God in our hearts; we may walk in companionship with Christ. When engaged in our daily labor, we may breathe out our heart's desire, inaudible to any human ear; but that word cannot die away in silence, nor can it be lost. Nothing can drown the soul's desire. It rises above the din of the street, above the noise of machinery. It is God to whom we are speaking, and our prayer is heard."

TIME TO ASSOCIATE

"It is inevitable that the youth will have associates, and they will necessarily feel their influence. There are mysterious links that bind souls together, so that the heart of one answers to the heart of another. One catches the ideas, the sentiments, the spirit, of another. This association may be a blessing or a curse. The youth may help and strengthen one another, improving in deportment, in disposition, in knowledge; or, by permitting themselves to become careless and unfaithful, they may exert an influence that is demoralizing....It has been truly said, "Show me your company, and I will show you your character."

Messages to Young People, p. 411.

Editor's Message

Students of Lynwood Academy—

The last picture has been taken, the last page pasted together, and now the last deadline has been met. It has taken a lot of time and has been the reason for many headaches, and it has also been a lot of fun. But all this would never have been possible without the help of my dependable staff. Thank you Bobbie Fawcett, Jim Slater, John Krell, Sharon Blackmun, Chris Martinez, Judy Miller, Karen Christy, and especially my assistant editor, Linda Mason. A special thank you to Mr. and Mrs. Benson for all the hard work and hours spent as our sponsors, to Mr. Krell for all his help with the photography, to all the teachers and faculty for letting us disrupt their classes, and to all our sponsors and patrons who made this yearbook possible.

In the years to come as you look back through the pages of this annual, I hope you will think with fond thoughts of the good old days here at Lynwood Academy. And as "Time erases all but memories," I hope all of your memories will be happy ones.

WHITE MEMORIAL MEDICAL CENTER

The "heart" of the White Memorial Medical Center is found not only in the life-giving procedures of open-heart surgery, but also in the words of the dedicatory plaque: "This hospital is dedicated to the memory of Ellen Gould White whose long life was unselfishly devoted to the alleviation of the woes and sorrows of the sick, the suffering, and the needy, and to inspiring young men and women to consecrate their lives to the work of Him who said 'Heal the sick.'"

The "heart" of the Church is service. Why not serve your fellow man in a health career.

Hi Ken Kaler

It sure has been fun knowing you these past two 10 years.

Remember all the fun times we have had after School.

Thanks for listening to me about Bruce (my Problem). That was stupid of me wasn't it!!! oh well consider the source!!

Remember the time we went down Hawthorne Blvd.? That was so funny!!! It's to bad I can't do that again, but you know what would happen!?!?

Thanks for helping me with David (my other problem). Donna and what am I going to do with a sister like that?!?!?

Never forget all the times in Doug's car. Fighting over who would sit in the front seat by him.

Be good to the boys this Summer and hurry back to school so you can be in my classes next year. (I knew that would thrill you!)

Love ya

Kathy H.
